Guidelines for Completion of Agency Application for Funding

(See separate instructions of how to place the application in the Drop Box) In reviewing agency requests for the upcoming fiscal year City/County staff will continue to review program requests closely to evaluate how programs serve the citizens of our region as well as each locality specifically. In addition City/County staff will continue to evaluate outcome measurements for each program requesting funding to determine impact the programs have on the region as well as each City/County within the Planning District 16 and to avoid duplication of services.
