

## Modified Guardian Consent to Release

\*For use during the COVID-19 and for review of existing services only. This document will be provided to the parent and the case manager and consent provided via email and submitted with the modified FAPT Review Form.

1. The Stafford County FAPT members will be receiving information, via password protected email, regarding the services currently being provided to my child/family for the purpose of reviewing for continued service approval.
2. The Team will review this information independently and will send their approval/denial via email to the Human Services Office.
3. I have the right to receive copies of all of the information shared with the Team by requesting the information from my child's case manager.
4. My child's case manager will provide me with a copy of the Individual and Family Service Plan (IFSP) that includes the goals for the services and the FAPT recommendations.
5. The co-pay assessment will be completed at a later date and, if applicable, the co-payment will be back dated to reflect the dates of service approved.
6. This consent is a one-time only consent for the modified FAPT review process.
