What is the Personal Property Tax Relief Act?

The Personal Property Tax Relief Act of 1998 provides tax relief for passenger cars, motorcycles, and pickup or panel trucks having a registered gross weight of less than 10,001 pounds. To qualify a vehicle must be owned by an individual or leased by an individual under a contract requiring the individual to pay the personal proper tax; AND be used less than 50% for business purposes. Motor homes, trailer and farm use vehicles do not qualify for tax relief.

Does your vehicle qualify for Car Tax Relief?

If you can answer YES to any of the following questions, your motor vehicle is considered by State Law to have a business use and does not qualify for Car Tax Relief.

- Is more than 50% of the mileage for the year used as a business expense for Federal Income Tax purposes OR reimbursed by an employer?
- Is more than 50% of the depreciation associated with the vehicle deducted as a business expense for Federal Income Tax purposes
- Is the cost of your vehicle expensed pursuant to Section 179 of the Internal Revenue Service Code?
- Is the vehicle leased by an individual and the leasing company pays the tax without reimbursement from the individual?

If you fail to indicate whether business or personal status on a vehicle, the vehicle will not receive a qualifying status.
